Monthly Leaderboards

Track and reward top performers in your influencer and referral programmes. Display monthly rankings for influencers, affiliates, and referrers to drive competition and organic growth.

Made with GAMMA

Top Influencers & Affiliates

Purpose

Identify which influencers and affiliates generated the most sales last month.

Data Source

Query the affiliate_sales table, filtering records from the previous month.

Metrics

Calculate total orders, commission amount, and sales value per influencer.

Made with GAMMA

Database Structure

Table: affiliate_sales

- id
- influencer_id
- product_id
- order_id
- commission_amount
- created_at

Query Logic

- Filter sales from previous month
- Group by influencer_id
- Calculate aggregated metrics
- Return top 10 influencers

Made with GAMMA

Top Influencers – Last Month

Rank	Influencer	Sales (₹)	Commission (₹)
1	Rahul	45,000	4,500
2	Anjali	38,000	3,800
3	Priya	32,500	3,250
4	Vikram	29,800	2,980

Made with GAMMA

Top Referrals – Last Month

1

Data Collection

Track referrals from the referrals table, filtering by created_at date from last month.

2

Grouping Logic

Group records by referrer_user_id to aggregate successful referrals per user.

3

Success Criteria

Count referrals where status is marked as 'registered' or 'purchased'.

Made with GAMMA

Top Referrers – Last Month

Show users who successfully invited the most new users during the previous month.

Rank	User	Referrals
1	Arjun	52
2	Sneha	41
3	Kiran	35
4	Meera	28

Badge System (Recommended)

🥇 Top Influencer of the Month

Award to highest-performing influencer based on sales and commission.

🥈 Top Affiliate

Recognise top affiliate partners for their contribution to revenue.

🏆 Referral Champion

Honour users who successfully invited the most new members.

Instead of cash rewards, use badges to create competition and viral growth without spending money.
